JAMES ARSENAULT, 14B is an Investment Banking Analyst at SunTrust Robinson Humphrey. Currently working within the Asset Securitization group, a product group within the larger investment bank. James previously worked in Leveraged & Acquisition Finance at HSBC USA, in private placement at a boutique private equity advisory firm, and in fixed income operations at a boutique broker-dealer. He graduated from Emory in 2014 with a BBA from Goizueta (concentrations in Finance & Analytic Consulting) along with a BA in Math from Emory College.

MICHAEL BOTELER is an Examination Manager at FINRA within the Atlanta District Office. He manages a team of five staff members who conduct routine examinations to review for compliance with FINRA and SEC rules. Mike joined FINRA in May 2011 after six years at Wachovia Capital Markets, LLC and Wells Fargo Securities, LLC in Charlotte, NC where he served in various compliance roles including managing the supervisory controls and branch inspection programs. Prior to these roles Mike worked as an NASD Examiner in Atlanta for five years between 2000 and 2005. Mike is a graduate of the University of Georgia.

ISAIAH BROWN is a Business Development Assistant at Access to Capital for Entrepreneur (ACE). He assists with the development of Business Advisory Services for ACE clients and drives programming to improve the economy through community service, entrepreneurship, and social enterprise.

MIRIAM CAMPBELL is the Campus Recruiting and Development Manager at ICAP for the Americas at ICAP, the world’s leading Markets Operator and Provider of Post Trade Mitigation Services. She is responsible for identifying, developing, and retaining junior talent, a key part of the ICAP’s growth. Miriam has spent the past 7 years of her career in undergraduate and MBA recruiting. Prior to joining ICAP, she was a member of graduate recruiting teams at Deutsche Bank and Citigroup recruiting across a number of divisions including Consumer Banking, Investment Banking, and Sales and Trading. Miriam has received her MA in Sociology from Brooklyn College and a BA in Psychology and Sociology from Hofstra University.

J CYGAN is in the Financial Management Associate Program at Bank of America. She attended Clemson University and graduated with a degree in Financial Management and Global Studies in May of 2013. Leading in my senior year, she interned in the FMAP program at Bank of America in Preferred Segment Finance, a group in the Consumer Business serving to the needs of our mass affluent clients. Her first year rotation in the program was in Corporate Infrastructure Finance, on the Merrill Lynch Accounting and Management Reporting team where she was involved in legal entity consolidation and the management close process. J recently began her next rotation in Balance Sheet Management working on our interest rate risk position where the primary objectives are to produce, support, and analyze net interest income and the related interest rate risk of the core balance sheet.

**David Dreyfus**, 14B is an Investment Banking Analyst at SunTrust Robinson Humphrey where he is a first year Investment Banking Analyst in the Mergers & Acquisitions group at SunTrust Robinson Humphrey in Atlanta. David participates in the origination, structuring and execution of M&A transactions. He graduated from Emory with a BBA, with an emphasis in finance, as well as a double major in Political Science in 2014.

**William Duke** is a Managing Director at CIT for Corporate Finance, Healthcare. He is responsible for the origination, structuring and execution of syndicated cash flow financings in the healthcare industry with an emphasis on sponsored leveraged buyouts and recapitalizations. He has 18 years of corporate finance experience in both the large cap and middle market with 14 years of specialized experience in the healthcare sector. Prior to joining CIT, he was with BNP Paribas for 4 years where he focused on mid-market change of control transactions in the healthcare services industry. From 1993 to 2002, he was with Healthcare Group of Banc of America Securities. Duke graduated from the United States Military Academy at West Point and received his MBA from the Fuqua School of Business at Duke University. He also served for 5 years as an infantry officer in the U.S. Army.

**Michael Emsry** is the Senior Recruiter at FINRA. Michael is a self-motivated recruitment specialist with over 10 years of multi-industry experience in Financial Services, Information Services and Insurance developing full life-cycle talent acquisition recruitment strategies. He has extensive experience in producing value-added projects and processes, and strong interpersonal and relationship building skills. His specialties are lifecycle recruiting; process management; client relationship management; lateral and campus staffing.

**Aaron Esraeiliain**, 11C is a Senior Associate at S&P Capital IQ, a multinational financial information provider. Aaron has been with the firm for three years and currently works on the Southeast sales team. As a part of this team, Aaron manages relationships with top Investment Banks, Private Equity Firms, Hedge Funds, and Investment Management Firms in the Southeast. Some of his clients include SunTrust Robinson Humphrey, Raymond James & Associates, ING Investment Management and The Boston Consulting Group. Aaron designs custom workflow solutions to optimize risk management performance, idea generation for investments and Excel valuation models. Aaron is an alumni of Emory University, where he graduated in 2011 with a B.A. in Economics.

**Bailey Falls** is a Senior Vice President and Underwriting Manager at Bank of America. Mr. Falls has served as Senior Underwriting Manager for the Southeast region of Bank of America’s asset based lending business since 2008. Falls oversees the structuring, approval and booking of asset based loans ranging in size from $10 to $500+ million. Falls joined Bank of America in 1994 and has served in a variety of roles including underwriter and division portfolio officer. Mr. Falls began his career as a CPA with PriceWaterhouseCoopers in 1986. Falls is a 1986 graduate (Accounting) of Birmingham-Southern College.
SAGAR GANDHI, 10B is an Associate at Roark Capital. Gandhi graduated in 2010 from Emory's Goizueta business school with a BBA concentrated in finance and accounting. He has worked at Roark Capital as an analyst and associate since graduating. His key portfolio responsibilities include Atkins, Massage Envy, and CKE.

DANNY GHANEM is a Financial Analyst at Bank of America. He is currently a second year Finance MAP Associate for Bank of America in Corporate Planning & Forecasting. The team consolidates and analyzes the Bank’s annual financial plan and forecasts throughout the year, as well as various reporting utilized by the Board of Directors and Executive Management team. He has also held roles in Consumer Deposits Finance as well as Technology Infrastructure Finance with the Bank. He graduated from Florida International University with a degree in Finance and Banking in May 2013.

MARY ANNE GILVIN is a Vice President of Finance at Synchrony Financial. On July 31, Synchrony Financial reached its goal of an Initial Public Offering (IPO) and was listed on the NY Stock Exchange under the symbol SYF. It was previously known as GE Capital Retail Finance. Synchrony Financial brings 80 years of experience and financial leadership under one new brand. We offer private label credit cards, promotional financing and installment lending and FDIC-insured savings products. We’ve built relationships with national and regional retailers, healthcare providers, manufacturers and more. We serve hundreds of thousands of client locations across the United States and Canada. Our financial expertise spans key product areas, including electronics and appliances, home furnishings, automotive, power products and sports, jewelry and luxury, retail and healthcare.
