Alexandra Stark, 12B, Analyst - CIT Group

Alexandra was born and raised in New York. She attended Emory University, where she entered the Goizueta Business School – majoring in Finance and Management Consulting. During her time at Emory, Alexandra studied abroad at the Luigi Bocconi University in Milan and interned at Morgan Stanley Smith Barney in their Asset Wealth Management group and at JP Morgan in their Investment Banking Operations group.

Upon graduating in 2012, she joined CIT Group in New York City as Sponsor Finance Underwriter. In her role, she underwrites senior debt facilities to finance sponsor-backed leverage buyouts, recapitalizations, and refinancings for middle market companies in multiple industries. In addition, she construct financial models and sensitize forecasts to evaluate alternative debt structures.

This past fall of 2014, Alexandra began her MBA at night at NYU Stern.

Outside of work, she is actively involved in volunteering. Over the years, she has become increasingly involved in volunteering, organizing an annual fundraiser with her family for the Special Olympics in East Hampton, New York, raising over $35,000 annually.

Esther Yang, Senior Trader - Voya Financial

Esther Yang is a portfolio manager for Voya Investment Management, responsible for derivatives trade executions, research and services to other groups that need derivative expertise. Prior to joining the firm, Esther worked as a consultant on the liability side, developing economic scenarios for valuing guarantee minimum benefits in life annuity products and developing risk management (hedging) strategies. Before that, she worked for Allstate Investments. Esther holds a bachelor’s degree in biology from Beijing University and a master’s degree in actuarial science from the University of Waterloo. She is a fellow of the Society of Actuaries and holds the Chartered Financial Analyst® designation.
Emory Women in Business is an undergraduate organization the Emory University created to facilitate personal and professional development of all current and past female students associated with Emory University. It is with this mission that Emory Women in Business organize various events to promote networking among students, alumni and faculty. We believe that through these networking initiatives, the Women of Emory will be able to build lasting connections to aid them in their personal and professional journeys. In addition, through the various resources provided by both the university and Emory Women in Business, we believe that the Emory community will be able to maximize their university and professional experiences.
